Apostate Prophet reads horrifying quotes from the Quran.

Sahar: When we talk about *jihad*, of course, there is also the obvious that we need to talk about related to *jihad* is how you guys doing. This is Sahar TV and in today's video we'll see the apostate prophet, an amazing YouTuber explaining what *jihad* is. You've probably heard this word many, many times without knowing the meaning. Now, it's going to be explained. Let's watch.

Ex Muslim: *Jihad*. Why am I talking about this? Yes, because u moderate Muslim apologists and their western allies keep telling people that it is totally misunderstood - that *jihad* means only inner struggle and striving.

Some are a tiny bit more honest and uh admit that it also stands for fighting in the way of uh Islam and Allah. But then they lie again and say that the purpose is only self-defense. If you have a look at the early spread of Islam, you must be pretty stupid to believe that.

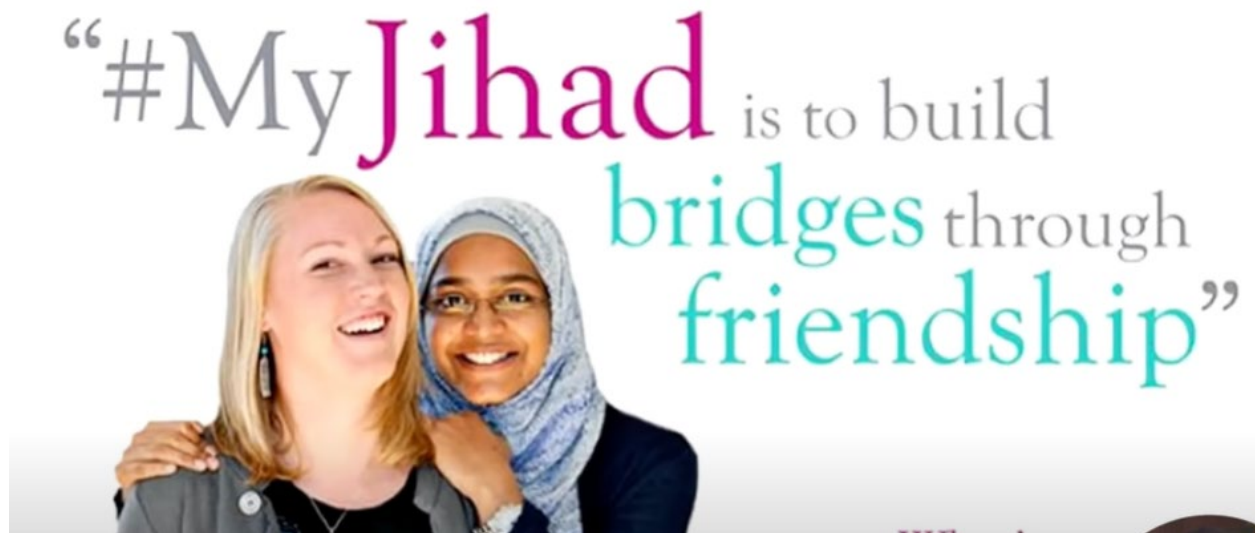

Sahar: But some in the West just accept baseless claims by Muslims because the poor Muslims.

How can you look at this photo and tell me that the Muslims back in the day were just fighting off the people who tried to hurt them? How could you possibly hurt the Muslims if you get

invaded? How the hell did they get to Spain? Did the Spanish people hurt them all the way in Saudi Arabia? In Arabia? that was in Saudi Arabia at the time. Of course not. Look at this.

Ex Muslim: Are oppressed by the evil white man. It really is no debate that requires much intelligence and wisdom. But I'll step on this side of the discussion anyway. Let's talk about the meaning first. The term *jihad* comes from the word for struggle or effort. That means that people who claim it's just struggle are not entirely wrong. The word is indeed struggle and effort. But that's not all. Of course, you can just take the literal meaning of the word *jihad* and and reject any kind of factual criticism of the concept of Islamic holy war, but that would be ugly and dishonest.

The term stands for much more than what a totally stupid campaign once claimed it does. The word *jihad* is used in the Quran 34 times in different forms in 30 verses and is used almost in all cases in terms of physically fighting for Allah or helping the cause of Allah with their wealth. In some verses, the word is a generalization of jihad which can mean fighting or proselytizing. In some cases, in the minority of cases, it is just about being faithful and patient. If we look at

some examples where the word is used, we can pick the following.

Not equal are those believers remaining [at home] - other than the disabled - and the **mujahideen**, [who strive and fight] in the cause of Allah with their wealth and their lives. Allah has preferred the **mujahideen** through their wealth and their lives over those who remain [behind], by degrees. And to both Allah has promised the best [reward]. But Allah has preferred the **mujahideen** over those who remain [behind] with a great reward.

This is chapter 4 verse 95. Another example chapter 61:11

[It is that] you believe in Allah and His Messenger and strive in the cause of Allah with your wealth and your lives. That is best for you, if you should know.

Another example of jihad in the sense of fighting is oh prophet fight against the disbelievers and the hypocrites and be harsh upon them and their refuge is hell and wretched is the destination. And a final example is the ones who have believed immigrated and striven in the cause of Allah with their wealth and their lives are greater in rank in the sight of Allah and it is those who are the attainers of success.

All of these verses that I just took as an example are examples where the word *jihad* is literally used for fighting in the cause of Allah. So the word *jihad* is used in the Quran in the most important book, The Source of Islam as fighting in the way of Allah. And yet we have moderate Muslims and self-loathing people in the West who want to tell us a different narrative. Even though the scholarly consensus in Islam is very clear, *jihad* is fighting in the way of Allah. If you want to look at some other uh examples, we can look at the Quran and see how this jihad was ordered in practice.

I would begin with what I think is the most horrible Quran 5:33

Indeed, the penalty for those who wage war against Allah and His Messenger and strive upon earth [to cause] corruption is none but that they be killed or crucified or that their hands and feet be cut off from opposite sides or that they be exiled from the land. That is for them a disgrace in this world; and for them in the Hereafter is a great punishment.

This is the most horrible verse in the Quran to read for me. It is disgusting. In verse five of chapter 9, there is another example that we can look at. It is,

And when the sacred months have passed, then kill the polytheists wherever you find them and capture them and besiege them and sit in wait for them at every place of ambush. But if they should repent, establish prayer, and give zakah, let them [go] on their way. Indeed, Allah is Forgiving and Merciful.

So the polytheists are to be killed in this case unless they convert to Islam. Another example is in uh chapter 9 again verse 29.

Fight those who do not believe in Allah or in the Last Day and who do not consider unlawful what Allah and His Messenger have made unlawful and who do not adopt the religion of truth from those who were given the Scripture - [fight] until they give the jizyah willingly while they are humbled.

Sahar: This is one of my favorite verses by the way. Another example is in the previous verse. Um he forgot to mention that uh the people who pay the Jiza the people of the book "they must be subjugated and humiliated"

to show the difference in ranks between the religions. Uh so yeah this this is also one of my favorite verses as well to use.

Ex Muslim: But uh yeah chapter 2 verse 244 it says

And fight in the cause of Allah and know that Allah is
Hearing and Knowing.

And finally, chapter 4 verse 101.

And when you travel throughout the land, there is no
blame upon you for shortening the prayer, [especially] if you
fear that those who disbelieve may disrupt [or attack] you.
Indeed, the disbelievers are ever to you a clear enemy.

This verse actually says that disbelieving makes you a clear enemy. Kóran 4:101

According to Islam, the word used in this Quran verse is *kafaru* and is a general term for all those who disbelieve. It has little to do with historical context. Yes, it is very clear jihad means striving or struggling. But in the Islamic context, in the Quran, it is uh vastly used as fighting in the cause of Allah.

There shouldn't even be a discussion about this. In the Islamic sense, *jihad* means fighting for Allah. If you want to have a short look at what making *jihad* an obligation for believers can cause, you can again look at this map. The early conquest and the spread of Islam. It is very clear. At this point, we have not talked about whether war is always or mostly offensive or defensive in Islam.

That's another point where people tell us baseless stories to deceive the caring western person. But I want to save that topic for another video. I think this is enough for now. Oh, before I let you go, um, when we talk about *jihad*, of course, there is also the obvious that we need to talk about related to *jihad* is [Music] 72 virgins.

Virgins according to the Quran are full breasted women created by Allah only for the pleasure of those Muslims who enter paradise. The Quran 78:31-35 describes them as follows.

Indeed, We have produced the
women of Paradise in a [new] creation
And made them virgins,
Devoted [to their husbands] and of equal age,
For the companions of the right [who are]

In another part of the Quran, it says: indeed for the righteous is attainment gardens and grape vines and full breasted companions of equal age and a full cup. No ill speech will they hear therein or any falsehood blah blah blah. **So uh the Quran promises sex slaves.** Here is also a hadith that says that **every believer will have two virgins in heaven.**

Narrated by Abu Hurayra. The prophet said, Sahih Bukhari 4:54:476

The Prophet said, "The first batch (of people) who will enter Paradise will be (glittering) like the full moon, and the batch next to them will be (glittering) like the most brilliant star in the sky. Their hearts will be as if the heart of a single man, for they will have neither enmity nor jealousy amongst themselves; **everyone will have two wives from the houris**, (who will be so beautiful, pure and transparent that) the marrow of the bones of their legs will be seen through the bones and the fl

What nice fantasy, isn't it? But that's not enough. Two virgins for every Muslim is uh not all martyrs in the way of Allah. Those people who make it *jihad* and fight and die in the cause of Allah will have more. The authenticity **of 72 virgins** is often argued. But here is a hadith that many **moderate Muslims want to ignore.** The following hadith has been **accepted by Islamic scholars as a strong evidence.**

That the Messenger of Allah (bruh) said: "There are six things with Allah for the martyr. He is forgiven with the first flow of blood (he suffers), he is shown his place in Paradise, he is protected from punishment in the grave, secured from the greatest terror, the crown of dignity is placed upon his head - and its gems are better than the world and what is in it - **he is married to seventy two wives along Al-Huril-'Ayn of Paradise**, and he may intercede for seventy of his close relatives."

The important part here is **that the martyr is married to 72 wives in paradise**. So whatever you might hear from some moderate Muslims or others, um the 72 virgins deal is real. It exists in Islam. It is not a silly mocking campaign by hateful Islamophobes like myself and I will make a video about this very specific topic and I will discuss it much wider than here.

Um, just to give you another explanation um, for one of the phenomenons that happened in Gaza or in Judea and Samaria, every time a Hamas member is killed by the IDF, they never cover his face. Never. They put him on a stretcher, they don't cover his face. And the reason for that is because he's not dead. **He's alive in Jenna.**

And then you'll always see people take pieces of tissue and wiping it off of their foreheads and cheeks and body because he's working hard. He's already with his 72 virgins and we have to wipe off the sweat from all that difficult work. Jihad is definitely a favorable thing in Islam. In Allah's eyes, people who die for the cause of Islam are ranked higher. You saw that video. People who do that will be ranked higher in the eyes of Allah according to Islamic belief.

So, what do you think would stop Islamic terrorists from committing these acts? They know they'll get eternal life in heaven. They get a cup full of alcohol. They get this amazing smell called musk. They get 72 virgins, eternal life in paradise. What prevents people from doing that if this is what this religion dictates or promotes?
